THE MEMBERS OF FIRST PRESBYTERIAN CHURCH are honored to have as guest organist **Mark Scott, Minister of Music and Organist at St. Stephen Presbyterian Church in Fort Worth.** Mark, a native of Amarillo, holds degrees in organ performance and church music from Texas Christian University. He is widely respected for the outstanding music program he leads at St. Stephen. When asked by our Organ Committee to play a dedication recital, Mark responded that he does not do recitals but would be delighted to donate his time to lead us in a Hymn Festival celebrating the inauguration of our new organ. He was willing to do this because of his deep respect and admiration for the life and ministry of the Rev. R. W. (Bill) Jablonowski III, the longtime pastor of St. Stephen, who grew up in this church and whose family is still active here.

THIS HYMN FESTIVAL will be followed by a reception in the church parlor. The Congregational Life Committee has coordinated the planning for the reception.
